

The BetterInvesting TOP 100

Holdings of Investment Clubs

The BetterInvesting Top 100 Holdings of Investment Clubs is presented on the following pages. The Top 100 Companies are listed on pages 36 and 37, while the Second 100 listing is on page 38. An alphabetical index of the Top 200 Companies is on page 39.

This year's holdings of investment clubs subscribing to myCLUB.com reflect 2020's uniqueness, a year shaped by the pandemic, the ensuing lockdowns and a booming stock market riding fast on the heels of a hard crash. With remote communications a lifestyle, Teladoc Health galloped up the Top 100 list while Pfizer, a producer of the COVID-19 vaccine, won greater prominence. Two stocks not on last year's list are another vaccine maker, Moderna, now No. 68, and our new best friend, Zoom Video Communications, No. 56. Airline stocks were down as travel hit the skids; bargain-hunting clubs likely hoped a vaccinated public will soon love the way Delta Air Lines flies and lifted it to No. 75.
